SUBJECT: Youth "Spot Shot" Information

First and foremost, thank you so much for considering hosting a local competition. ***Similar to last year, local hosts can "up-charge" \$1.00 to the base fee of \$5.00.*** It is our appreciative way to help offset any incurred local expenses. All handouts and other materials to host a local event can be downloaded from the IPRA web site at www.iapra.org

Please submit to the state office your local results sheet the next business day after competition. By doing so, we can more effectively coordinate the participants at the state finals.

*** Local competition can be held starting immediately with all local events to be completed by Monday, March 12, 2012. ***

*** State Finals, Saturday, March 17, 2012. Grinnell Athletic & Recreation Center, Grinnell ***

As soon as possible, we ask you to contact Cathy Shutts with the date of your local competition. Ribbons for 1st, 2nd and 3rd place in each gender/age division will be sent once we know your competition date (allow up to four (4) days to receive your ribbons).

Again, just the **top two individuals** (note – we will not drop down to 3rd, 4th place, etc. to fill spots) in each division advance on to the state finals to be held in Grinnell on March 17, 2012.

Before youth leave your facility, please be sure to give the top two persons in each age/gender division these two items:

- 1. state qualifier's letter which must be completed/returned to IPRA state office by March 13, 2012**
- 2. fact sheet which states rules and shooting distances**

The next business day following your local competition, please forward to our office your local result sheets, scoresheets and parental waiver forms of all participants. Then, as soon as possible, the \$5/participant fee in the form of a check or money order should be sent to the IPRA Office. Also, please return any unused ribbons following your contest, as we can reuse these for various youth sports events throughout the year.

Thanks again for your time and efforts to promote and implement this IPRA Programs committee event in your community.
